DISNEY ALL-NIGHT

This was the first time SGA ever had Disney All-night. Students gathered in the student center to watch Disney movies all night. The Students watched everything from the Rescuers, Sleeping Beauty, to the all time best, Little Mermaid. Everybody had a great time eating, watching and winning door prizes of Disney novelties. Everyone may have been pretty tired the next day but they had wonderful, fun-filled night!

Jon Greer seems really interested in his movie.

Kim May and Andy McDaniel get a good laugh over something.

Chris White and Scott Walters enjoy the food and the prizes more than the movies.

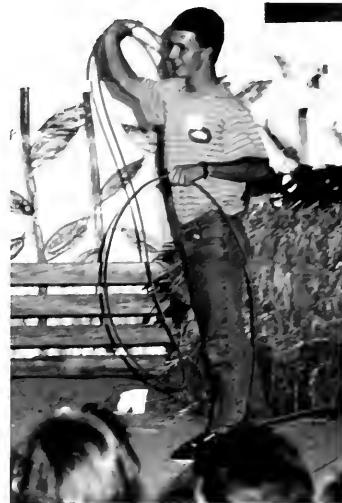

Joy Vaughn and Marcia Gaines appear to be having a blast!.

The Christmas Parade

This was the first year WCC participated in the Hattiesburg Christmas Parade. The float was sponsored by SGA with help from Melinda Runnels and Alissa King. Several students helped with the decorations and singing Christmas carols. Even though the students did not win a prize, they had a wonderful time and are looking forward to next year!

Top rt: Cheerleaders patiently await the beginning of the parade.

HERITAGE

WEEK

Heritage Week was celebrated at William Carey College April 20-27. The week's activities focused on the College's namesake, William Carey, and the impact of his ministry on the world and the College.

This event began with a spring mission report at chapel, which was followed by a luncheon, and with the dedication of a garden on the front campus.

Afterwards, a banquet was held at the Jackie Dole Sherrill Community Center. This event was held to recognize the economic and civic contributions of small business leaders. Heritage Week concluded on April 27, with a chapel service celebrating William Carey's diversity.

The faculty, staff, and students of William Carey College participated for the first time in the March of Dimes Walk America this year. The walkathon was held April 26, 1992, on the LSM campus. The March of Dimes raises money to help in the fight against birth defects.

Carey had 33 team members to participate. They raised 1,812.33 for this charity. A special thanks goes to Joe Riley and the SGA for coordinating this fund raiser.

Candace Myers, Ali Calvento, Joe Riley, and Tina Williams prepare for the walk.

William Carey College is known as the College of Choice: chosen by students who desire to study and learn in a Christ-centered institution committed to service of all humankind; chosen by students who want to experience fully the opportunities for personal growth that a small college affords; and chosen by students who want to expand the mind through challenging study in all academic disciplines and reflective examination of ideas.

Dag Hammarskjold said, "We are not permitted to choose the frame of our destiny. But what we put into it is ours."

My prayer is that you have filled your frame with choices that give your life meaning.

YEARBOOK

MR. STEVE SMITH

DEDICATION

HYDROMANIA DAY

A new tradition was started at Carey this year. On September 9, 1991, the Student Government Association held the first Hydromania Day on the intramural field. There were many activities to choose from. Carey students enjoyed playing mud-volleyball, sliding down the "water-slide," and shooting each other with water guns.

Everyone had a wonderful time, even if they did get soaked! You did a great job, S.G.A.

GREEK DAY

The Serampore Players; Troy, David, Ryan, Taylor, and Dawn, take a break from the action.

Andy, Kim, Micah, and Bull practice for the 4-legged race.

Brad Arnett shows off his awesome strength in the Rock Throwing Contest.

"The Flame Is Burning, Let's Put It Out!" was the theme for this year's Greek Day. Continuing with the Carey tradition, everyone had a blast. Thanks to the "Creative minds" of Jason Harr, Kevin Cooper, and Bobby Byrd, for providing us with unforgettable games!

BSU - MISSION POSSIBLE

PHILIPPIANS 4:13

Laura Burnett, Joy Vaughn, Chris Dufrene, Steven Mangum, Amy Stovall, Chris Holder, Tina Williams, Roger Harr, Emily Cain, Robert Wallace, Carren Arnette, Pam Guntharp, Kevin Walker, Deanna Rawls, Rhonda Hensarling, Craig McCarter, Tracy Leonard, McKay Pearce, Jon Greer, Amanda Reyes, Candace Myers (Some participants are not pictured.)

During spring break 27 BSU students from William Carey participated in a mission trip to southern Indiana. The week was filled with various activities. The students were divided into four teams and ministered in four different churches and missions. On Sunday evening revival services began at the Clifford Baptist Church. This revival was specifically targeted for young people. Carey students planned, organized, and implemented each night of worship. The students led in music, gave testimonies, shared special music, performed dramas, and preached. During the week the students, also, went door-to-door surveying neighborhoods and subdivisions to locate church prospects and to share the Gospel with non-Christians.

Many decisions were made throughout the week. The Lord was at work in Indiana.

Make Friends & Create Memories

FROM THE EDITOR

Well, here it is -- finally! Let me first apologize for the delay in the printing of this book. In my four years at Carey, only one yearbook has been on time. I promised myself, when I accepted this position, that I would finish by the deadlines. As you all know, I failed to do that. There are many reasons for not keeping that promise. Many were out of my control, but whatever the reasons, I am truly sorry. My only hope is that what we have put together will be worth the wait. The staff and I did the best we could with the materials that were available. I want to say thank you to Kevin Walker and Margarita Outley for their help after school was out. Thanks, also, to Candace Myers and Donna Wheeler for pictures. A great big THANK YOU goes to Kim May. She picked up the book when I was no longer available. She is the one responsible for getting this project completed. I left her many headaches, and she came through for me and for you. Thank you, Kim, I owe you big time!!

Second, I would like to apologize to the clubs and people who may not have been given the recognition deserved. I had little time to put this book together, and time ran out on me.

Again, I am sorry that publication was so delayed. I hope that as you look through this memory book of 1991-1992, you will remember the people and the events that took place. I hope that you will all cherish your memories of William Carey College as I do. This book is only a small way to remember.

Sincerely,

Tara
